

Description: Modern Mosaic in Cashmere & Travertine is a sophisticated geometric wallcovering composed of interlocking arches, curves, circles, and rectilinear forms. A layered palette of cashmere, soft taupe, stone, and travertine creates depth while maintaining a refined neutral character. The rhythmic mosaic effect feels architectural and distinctly modern, while the textured ground adds a tactile, natural-stone quality. Bold enough to make a statement yet versatile enough for luxury residential, hospitality, and tailored commercial interiors
