

Description: **Cognac & Sandstone** pairs rich cognac tones with warm sandstone neutrals for a tailored, timeless stripe with understated sophistication.

Part of the **Regatta Collection**, this colorway brings depth and warmth to interiors while maintaining a refined, architectural feel. The contrast between the deeper caramel-brown stripe and the softer neutral ground creates a classic heritage-inspired look that feels elegant rather than traditional. Warm, inviting, and versatile, Cognac & Sandstone pairs beautifully with dark woods, brass, antiques, leather, and layered natural textures.
