

Description: **Storybook Blue** is a soft, powdery blue colorway from the **Peter Bunny French Toile Collection**, inspired by classic children's storybooks and timeless nursery interiors. Delicate illustrated characters and whimsical linework create a gentle, hand-drawn quality against the airy blue ground, giving the design a sense of imagination while still feeling polished and sophisticated. The palette is calm and refined, pairing beautifully with warm natural woods, ivory, soft gray, pale taupe, and muted blue textiles. In a nursery, child's bedroom, playroom, or reading nook, Storybook Blue feels timeless, charming, and quietly elegant—a wallpaper designed to grow beautifully with the room.
